

Tennant 1240/1260

The Tennant 1240 (41cm) and Tennant 1260 (51cm) are powerful carpet extractors with pressure sprays, a rotating brush and a powerful vacuum. Exceptional cleaning power removes heavy dirt and soiling from deep within the carpet pile. The result is efficient, time-saving, one-pass cleaning of heavily soiled carpets, restoring and enhancing their appearance.

Features

- Adjustable brush height
- Front mounted vacuum head
- Simple 2-switch operation
- No-tool detachments of spray jets
- Automatic brush and solution shut-off
- Roto-moulded polyethylene body and parts
- Built-in circuit breakers

Benefits

- Optimises performance on any carpet pile
- Excellent suction power even in corners
- Extremely easy in use
- Effective, low-cost maintenance
- Prevents over wetting and improves safety
- Extremely durable
- Protect electronic components and reduce service costs

Applications

- Office buildings
- Hospitality sector
- Educational facilities
- Contract cleaning

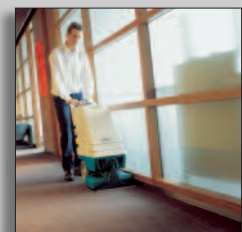

Suction width of 41 or 51cm
